ECK Light and Sound Service

Theme: *The Way of Spiritual Transformation*

An ECK Light and Sound Service is a celebration of God's love for Soul. The topics vary, but each service is to lead participants to their own experience of the Light and Sound of God. Each service focuses on an aspect of ECKANKAR, the Path of Spiritual Freedom, and lasts about an hour. ECK services feature readings from the ECK works, singing HU (a love song to God), and an exploration on the topic of the day. Services may also include creative arts, talks, discussions and video excerpts of talks given by the spiritual leader of ECKANKAR – Sri Harold Klemp, the Mahanta, the Living ECK Master.

***The Book of ECK Parables, Volume 2* – Online Book Discussion** (6-month discussion)

The stories are just amazing and spiritually revealing. This book helps us all realize that we also have stories in our life that have made a difference in our unfoldment. **You do not need to have the book to be a part of this book discussion.** The facilitators will

summarize some favorites with discussion to follow. Those of you who have read the book will surely have your own favorites that lit up for you! And we will all have the opportunity to tell our own personal stories that have helped us see God in our lives. October's discussion will cover Chapters 9 (Death and Reincarnation) and 10 (The Inner and Outer Master).

The Book of ECK Parables, Volume 2 brings real life stories from people like you and me into our 2nd Sunday book discussion. We warmly invite you to share this time with us as together, we discover spiritual insights that can be revealing, revitalizing, and even life-changing.

As written so eloquently on the back cover of the book: *"In the classroom of life, the lessons of the heart and Soul usually come through hard knocks. Where are the teachers who can show us an easier, faster way? In the tradition of the great spiritual Masters, Sri Harold Klemp, leader of Eckankar, clearly outlines the hidden secrets of God and Self.*

These tales give real solutions, but not in the way you'd expect. Physical, emotional, mental or spiritual – you'll learn how to tackle tough problems from the higher viewpoint of your true self, Soul. Hard knocks or spiritual gold? It's up to you. Each experience can build strength, awareness, and new love for life – when you understand it. These parables could show you how."

If you would like to purchase the book, there are a couple ways to obtain one:

1. Order from Eckankar though Eckbooks.org
2. Order from Amazon at Amazon.com
