The Book of ECK Parables, Volume 1 – Online Book Discussion (6-month discussion)

To make a connection with our everyday life and the ECK, Divine Spirit, is truly a gift. The stories within *The Book of ECK PARABLES, Volume One*, were gathered from talks by Harold Klemp, the Spiritual Leader of Eckankar. They are simple stories on the surface - but look deeper - turn the story around to reveal different facets of spiritual lessons and understanding. This is Spirit's gift to you and as you study and contemplate each story - the story becomes yours! They become your lessons. We have an opportunity for spiritual growth every day and this book highlights the many facets of spiritual growth in harmony, discipline, love, trust, death, and reincarnation, and so much more. You do not need the book to be a part of this book discussion. Holly and Lessandra will summarize the stories and invite those with a book to highlight their favorites. You'll also have the opportunity to tell your own personal story. We hope to see you on the 2nd Sunday at 11am.

January's discussion will cover chapters 1 and 2.

Chapter One - Karma

Chapter Two - Dreams

If you would like to purchase the book, there are a couple ways to obtain one:

1. Order from Eckankar though [Eckbooks.org](https://eckbooks.org)
2. Order from Amazon at [Amazon.com](https://amazon.com)

Experience the *Sound of Soul*

Throughout the ages, followers of many spiritual traditions have used prayer, the singing of holy words, and meditation to bring themselves closer to God. In the same way, those who have discovered HU, an ancient name for God, sing it for their spiritual upliftment. Singing HU can help to smooth out some of the daily ruffles in our lives and expand our

awareness and enjoyment of life. It can help open our hearts to experience a greater amount of God's love. Regardless of your beliefs or religion, you can sing HU to uplift your consciousness.

You are invited to join us in this simple spiritual exercise. We will spend twenty minutes singing/chanting the word HU, followed by five minutes of quiet contemplation. Afterward, there will be some time for discussion and sharing.

“You can open yourself and gain a greater awareness of who and what you are as Soul. You can do this by singing HU. Sing it to yourself, or sing it out loud. But do it every day.

HU is your key to your secret worlds. Once you learn to use this key, you will find a blending of your inner and outer worlds. You'll find yourself filling with love.”

— Harold Klemp, *The Sound of Soul*, p. 53
